Leisure and recreation

1. Leisure

“The free time a person has when not working or sleeping.”

How is leisure different from sport?

- ▶ A sport is _____.
- ▶ A sport is always **organised** and has rules.
- ▶ A sport requires physical **effort** and complex skills.
- ▶ Sport played _____ can have financial rewards.

2. Definitions

Definition of Recreation

“A voluntary activity a person might do during leisure time.”

Definition of Physical Recreation

“Any physical activity a person may choose to do during leisure time.”

Definition of Sport

“An activity involving physical exertion and skill in which an individual or team competes against another or others for entertainment.”

Definition of Play

“To engage in activity for enjoyment and recreation rather than a serious or practical purpose.”

3. Leisure

There are a number of factors that can determine what we do with our leisure time.

- ▶ **Age.**
- ▶ _____.
- ▶ **Facilities and** _____.
- ▶ **Living** _____.
- ▶ _____ **circumstances.**

Leisure and recreation

4. Age

- ▶ Due to better medical care, people are **living** _____ and having less children in the western world. This means our population is getting _____ and therefore the types of recreational activities on offer are changing.
- ▶ **Older** people take part in leisure activities for a number of reasons:
- ▶ Once retired they have additional time so they may become _____.
- ▶ They meet _____ people and make _____.
- ▶ A club usually has social activities too and this can improve a person's social **life**.
- ▶ Increase their _____ and give a better quality of life.

5. Interests

- ▶ What you are interested in can _____ what activities you want to take **part** in. Your interests may be due to a number of factors.
- ▶ The _____ of sports in the media and local area.
- ▶ The sporting **opportunities** available at school or in the local area.
- ▶ The _____ you live in (i.e. if you live in the alps you may be interested in winter sports such as skiing).
- ▶ The sports your _____ and _____ are interested in.

6. Facilities and availability

- ▶ There has been a **growth** in facilities and _____ in the 21st century. The facilities on offer may influence the sports you take part in.
- ▶ Schools have opened up their facilities for **dual** use on an evening.
- ▶ Some leisure centres and fitness gyms open up at _____ hours, so people can go before and after work.
- ▶ Some swimming pools and leisure centres have **women only** sessions.

7. Living location

- ▶ The _____ of a person to sports facilities can determine what sport they take up. Things they need to consider:
- ▶ The _____ of the facilities to where they live. Someone who lives in an urban area may have more choice.
- ▶ The _____ they live in may limit choice. Someone who lives in a hot country may find it difficult to go snowboarding.
- ▶ Living near the **sea**, **lakes** or **rivers** may incline people more to take part in water sports than others who live inland.

8. Social Circumstances

- ▶ What activities you take part in may largely be determined by what you can **afford**. Some activities cost more than others.
- ▶ Activities like Sailing, Golf and Skiing can be **very** _____ and so only a few can afford them.
- ▶ Others such as **jogging**, playing **football** in the park and swimming are cheaper and more people can take part.
- ▶ A number of leisure facilities offer _____ to those who are on benefits due to _____ and other social circumstances.

9. Peer Influences

People who are a similar age can greatly influence our choices.

- ▶ A close peer who takes part in an activity can _____ you to also take part. This is called "**peer pressure**".
- ▶ Peer pressure can also be _____ if your peer group has negative attitudes towards physical activity.

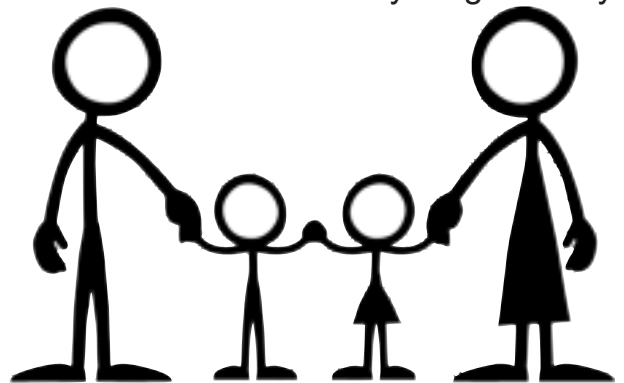

Leisure and recreation

- ▶ Starting an activity with a friend can often be **easier**.
- ▶ You may feel more _____ if there is someone there who you know.

10. Family Influences

Parents and family interests in sport can greatly influence the choices of the younger family members. Reasons for this are;

- ▶ **Sporting** _____ in a family.
- ▶ Parents often have to **fund** and transport children to and from the sports event so they may have **input** into which ones they do.
- ▶ The **socio-economic** _____ of the family may be a barrier to expensive sports.
- ▶ Family members may be the first people to introduce the young people in the family to sport. They may pass on a _____ attitude to sport but similarly they may pass on a _____ attitude.

11. Growth in leisure activities

- ▶ Modern people have **more time for leisure** than ever before. This has resulted in a growth of leisure activities and facilities.

Reasons for increased leisure time:

- ▶ Advances in _____.
- ▶ People work _____ days.
- ▶ Longer **holidays**.
- ▶ Increased _____.
- ▶ Early _____.
- ▶ Improvements in health **care** and health _____.
- ▶ People participate longer due to a longer life _____.
- ▶ **Early** _____ of illness occurs so recovery is quicker.

Leisure and recreation

- ▶ More availability of **physiotherapy**, so participants can **recover** more quickly.
- ▶ Physical activity is encouraged by all sectors as a _____ measure to illness.
- ▶ Growth in leisure _____ and activities.
- ▶ Growth in **facilities** available.
- ▶ Reduced _____ of equipment.
- ▶ Improvements in _____ methods.
- ▶ Wider _____ coverage.
